G & R METALS PURCHASING REQUIREMENTS

MTR'S REQUIRED FOR ALL MATERIAL – MUST BE SIGNED

ALL MATERIAL IS REQUIRED TO MEET DFAR AND/OR DOMESTIC REQUIREMENTS

DFARS (Defense Federal Acquisition Regulation Supplement) and domestic material requirements mandate that specialized materials, particularly specialty metals (e.g., titanium, stainless steel), for U.S. Department of Defense (DoD) projects must be melted in the U.S. or a qualifying allied country. These regulations ensure a secure industrial base for military, aerospace, and defense applications

Conflict Minerals Statement for all Purchase Orders

As required by Section 1502 of Title XV of the Dodd-Frank Wall Street Reform and Consumer Protection Act the product(s) Seller will be supplying under this order shall certify that none of the products supplied to G & R Metals contain Conflict Minerals (gold, tantalum, wolframite, cassiterite or and of their derivatives) OR provide sufficient documentation as to the origin of the conflict minerals.

MERCURY EXCLUSION

All goods requested on this request for quote shall not contain or have come in direct contact with Mercury, Mercury compounds or with any Mercury containing device employing a single boundary of containment, nor with any goods known or suspected of containing polychlorinated biphenyls. In addition, material must be free from arsenic, lead, chromates or organo-metallic material.

EB AND NNS RIGHT TO ENTRY

EB2678 (Electric Boat Quality Control Requirements for Procured Material/Services) mandates that suppliers allow "Right of Entry" to Electric Boat, their customers, or regulatory agencies. This ensures the ability to conduct inspections, audits, and surveillance at the supplier's facility and their sub-tier suppliers' facilities to verify quality and compliance.

MALPRACTICE PREVENTION

All suppliers and their sub-tiers shall be vigilant in their efforts to prevent Malpractice and Fraud and Falsification (F&F) as it affects, contract compliance, impact costs and can cause grave safety issues. For further information and requirements please see link below.

For Complete requirements related to purchasing for EB2678, please see link below.
